ABOUT

My journey as a designer started already at the age 18. After that I got my bachelor degree in electronics and communication engineering. And I develop my range of knowledge and gather experiences through my self learning.Fast forward a few years, I'm now focusing on product design, management, and advising.

I'm quietly confident, naturally curious, and perpetually improving my chops.

Father's Name : Nataraj.S

Date Of Birth : 04/01/1997.

LANGUAGES

English, Tamil (speak and write)

Kannada, Telugu (only speak)
